How Do I Participate in this Program?

Please complete application form, including the active duty service

person's name and branch of service (Army, Navy, Coast Guard, Marines, Air Force), which will be printed on both sides of the banner.

To process the application it must include a copy of the driver's license or other I.D. showing the address of the military service person, or his/her immediate family member's Diamond Bar address. The lettering of the name and branch of the service will be sized to fit the personalization area on the banner. Quantity is limited to one banner per service person. Spelling of the name will be taken directly from this application.

The military banners will be on display continuously at available locations on Diamond Bar Boulevard. Banners will be removed when the service person is no longer on active duty. The banner will also be removed if it is damaged or when the program concludes. Timing of the banner installation and removal will be at the City's discretion.
